

Our distinctive assets at a glance

- Our logotype word mark featuring SQLI in lower case
- Our ascenders that act as a graphic shorthand for our main logo and can be used in its place once the main logo has been introduced
- Our promise that can accompany either forms of the logo to deliver our brand-statement
- Our new colour palette, where 3 shades of blue play the main role
- Our Typeface TWK Everett is simple, clean and calm. It carries a subtle elegance with its
