

WCAG 2.1 compliance

Our SQLI colour palette is fully AAA WCAG 2.1 compliant, reflecting our commitment to accessibility and inclusivity. It's a detail that underscores our dedication to creating digital experiences that are not only beautiful but also universally accessible—because elevating digitally means elevating for everyone.

			Contrast Ratio	Normal Text	Large Text	Graphical Objects and User Interface Components
		Midnight Blue and Cream	18.05:1	AAA	AAA	AA
		Black and White	18.7:1	AAA	AAA	AA
		Cobalt Blue and Cream	8.11:1	AAA	AAA	AA
		Midnight Blue and Sky Blue	7.58:1	AAA	AAA	AA
